

Agenda for Strasbourg consortium meeting

Strasbourg, France, **Tuesday 15th & 16th September 2026**

Venue: Amphitheater Collège Doctoral Européen, 46 Bd de la Victoire, 67000, Strasbourg

Dear partners,

We will be pleased to receive you in Strasbourg for the last consortium meeting of Melomanes project, we hope you will enjoy it!

Venue

The venue will be the same for the whole week:

Collège Doctoral Européen (CDE)

46 boulevard de la Victoire, 67000

Strasbourg

France

Hotels and transportation

Several hotels are suggested near the venue such as:

- [Hotel Esplanade](#)
- [Hotel Roses](#)
- [OKKO Hotels Strasbourg Centre](#)
- [Hotel Diana Dauphine](#)
- [Hotel Cathédrale Strasbourg](#)

The city can be easily reached by train or plane from many European cities such as Paris, Amsterdam, Basel and Frankfurt. A guide on how to do so can be found [here](#).

Round table

The consortium meeting will be followed by an the final conference ([International conference on nanomedicine, cancer therapy, safety assessment & sustainability - Sciencesconf.org](https://www.sciencesconf.org/)) including a **panel discussion** about the Future of Cancer research and treatment moderated by Farouk Allouche, Ayush Shukla and Johanne Desbief.

We would like to collect questions from the consortium that could be addressed during the discussion. The experts from Industry, civil society, patient organisations will participate and share their perspectives on current and future state of cancer research in EU. We would like you to prepare and share a few questions from your research in MELOMANES consortium for the experts. The questions might include the opportunities and challenges for scaling the MELOMANES kind of therapy from laboratory to clinic and to patients. This is just an example.

Ayush will be responsible for asking specifically your questions to the speakers. Please write them in the following document : <https://sdrive.cnrs.fr/s/SaZHFCEkXdn2EGE>
